### WHY SHOULD I GIVE TO NDAB-PAC?

NDAB-PAC's ability to defend and promote your business rests squarely on the financial support it receives from you and other members. The contributions will give NDAB-PAC the needed resources and clout to succeed on issues affecting the building industry.

### HOW DOES NDAB-PAC HELP YOU?

By pooling contributions from NDAB members, NDAB-PAC is able to help elect legislators who understand and support the issues and concerns of builders and associate members. Also, a portion of your contribution is passed along to BUILD-PAC, the National Association of Home Builders' Political Action Committee, one of the most recognized and well-respected PACs in Washington. Another portion of your contribution is earmarked for contributions to candidates for local, county, and other elections.

Contributions or gifts to NDAB-PAC and BUILD-PAC are not deductible as charitable contributions for federal income tax purposes. Only PERSONAL or NON-CORPORATE checks or credit cards may be accepted. Your privilege of membership in NDAB, NAHB, and affiliated local associations will not be affected if you choose not to contribute. Participation is strictly voluntary. State and federal law require political action committees to report the name, mailing address, occupation, and employer for each individual whose contributions aggregate in excess of \$200 in a calendar year.
